

**CONFIDENTIAL****Office Memorandum • UNITED STATES GOVERNMENT**

TO : Chief, SR/3-PP

DATE: 23 June 1959

FROM : Chief, Contact Division, OO

SUBJECT: Mrs. Olia Zahoroff Oakley - CD/00 Case 29940

REF : SR/3/59 Memo #84, 10 June 1959

1. Pursuant to your request as set forth in referenced memorandum, the CD/00 [ ] was contacted and advised of your interest in having an Agency contract agent reinterrogate Subject. While the Field Office has no specific objections to this action, we have been asked to remind you of the following: Mrs. Oakley was interrogated first by an officer of the US Embassy in Moscow. Upon arrival in Berlin from the USSR she was interrogated, apparently at some length, by a US Army Attache. Upon arrival in Washington she was interrogated at the US State Department. Upon arrival at her home in Key West she was interviewed by a representative of the FBI, and subsequently by a CD/00 officer. Requirements dated 3 March 1959 from SR/3 were received and she was then contacted in Key West by a representative of the CD/00 [ ] which was then newly opened. (The identities of all U.S. officials who debriefed Mrs. Oakley are unknown, except of course the two from CD/00.)

2. Presumably the file of information which Mrs. Oakley has furnished other agencies of the Government is available to CIA, and Mrs. Oakley has furnished an additional 14-15 pages of reportable information to CD/00. The second Miami interview covered a period of over four hours in which she was questioned in detail concerning SR/3 requirements as furnished, and peripheral questions. Where specific response was not obtained it was because Mrs. Oakley either did not know or could not recall.

3. Should you still desire to reinterrogate Mrs. Oakley after receipt of the information set forth above, please advise [ ] ext 2737.
